We

are determined to assist individuals in obtaining a superior quality of life. Our ultimate goal is to promote self-respect, self awareness, education, dignity and personal choices with the mind set to increase ones self-imaging. Our core values are providing extraordinary service regardless of an individual's emotional/behaviors, disability or state of mind.

Our goal is providing comprehensive and quality services that are designed to meet the specific needs of all individuals and families we serve within the community.

About Us

Array's Job Training

This process will assist individuals with succeeding in the workforce through:

- Resume building
- Completing applications
- Interview preparation
- Job placement

Array's Mentoring

- Demonstrating sincere respect for all people
- Active listening
- Flexibility and understanding
- Recognizing solutions and opportunities
- Awareness of cause and effect in decisions.

Life Skills:

- Making sound Decisions
- Motivation and Time Management
- Communication
- Budgeting

Counseling Services: To provide counseling in areas of anger management, self-control, abuse issues, behavioral issues, and intellectual disabilities.

Self-imaging: to assist individuals to better harness their power of their own thoughts and beliefs to change or improve how they feel about themselves.

Array's Tutoring

SAT/Prep

In SAT/Act preparation, students will practice time management, learn test taking strategies, and target tough areas to increase your child's scores and self-confidence.

State Exams (EOGs/NC Final Exams)

Students will receive helpful test taking tips and take practice tests to assess their focus areas. Your child's growth will be tracked to keep track of their progress.

GED

Make sure teens and young adults are prepared to take the exam.

Adult ESL

Standard Course of Subjects

Array's Enrichment

Physical Fitness

Developing your body to align with your mind and well-being for a healthy and brighter beginning through:

- Indoor and outdoor sports
- Weight training
- Nutrition
